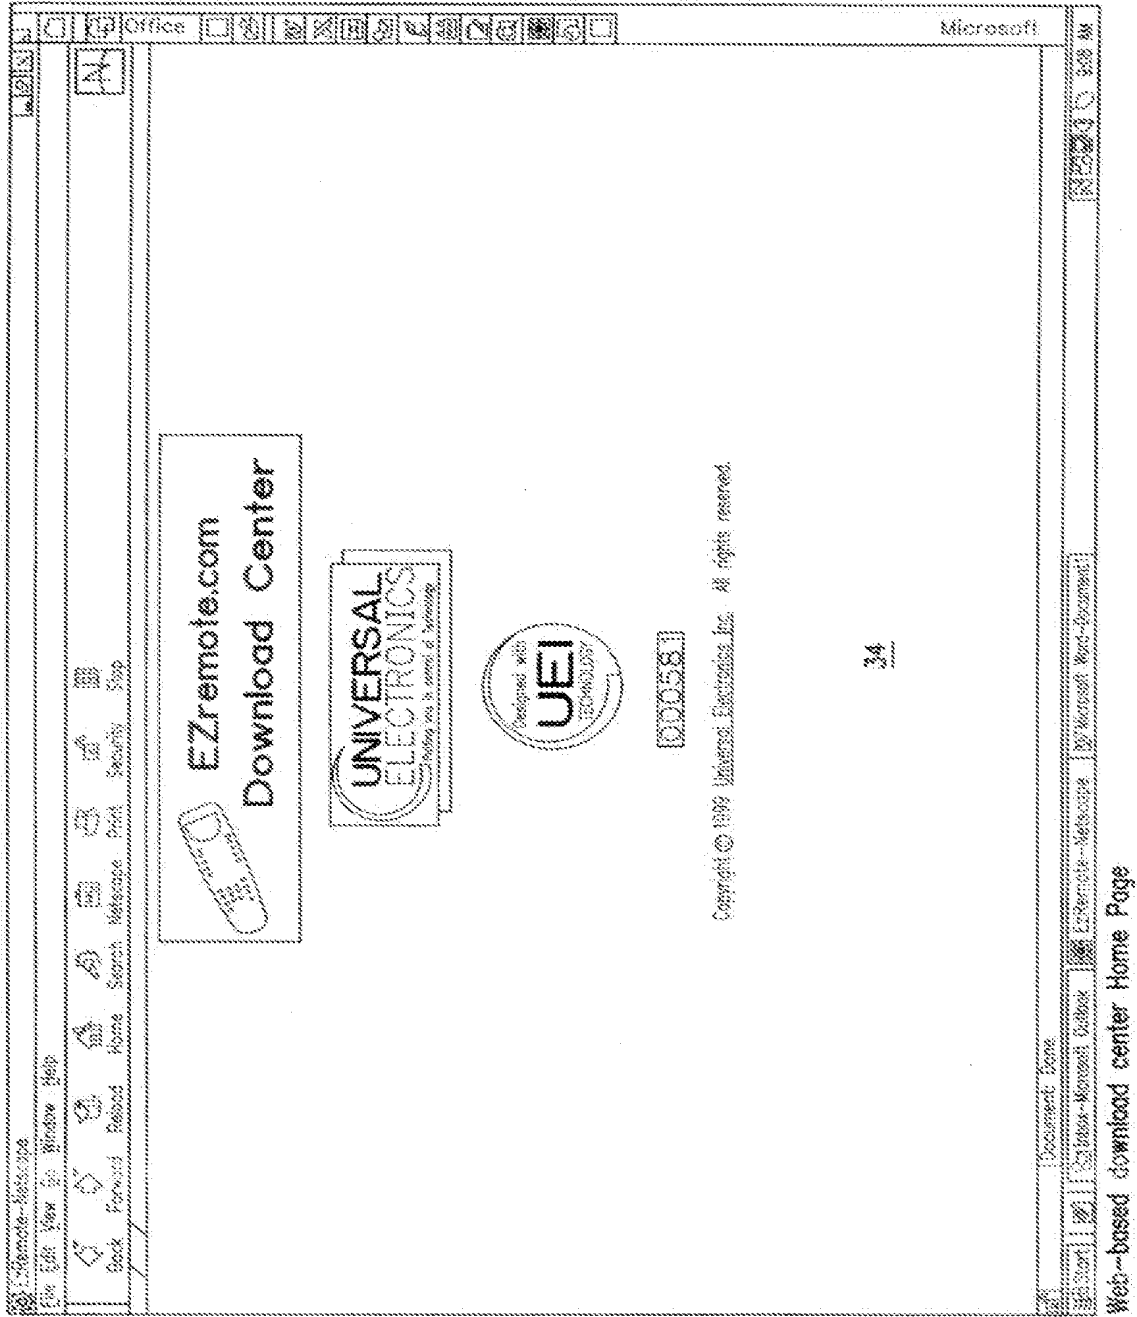

FIG. 2

30

The screenshot displays the EZRemote.com website interface. At the top, there's a navigation bar with links: Home, Search, Help, and a list of device categories: Satellite Receivers, TVs, VCRs, CD Players, Audio Amplifiers, and Audio Amp/Tuners. Below the navigation bar, the main content area is divided into two sections. The left section, titled 'Instructions for Download', contains a list of instructions for downloading the software. The right section, titled 'Available Devices/Brands for downloading:', features a table with columns for 'Device' and 'Brand'. The 'Device' column lists various electronic devices, and the 'Brand' column contains dropdown menus for selecting the brand. A 'Next' button is located at the bottom right of the table. The page also includes a search bar at the top left and a footer with copyright information.

Instructions for Download

- Select the device(s) from below and choose the brand name(s) for your download.
- Please monitor the % full gauge on the left hand side of your browser.
- If % full exceeds 100%, please de-select some devices and check the percentage again. To start over with your device selections click the "Clear all" button.
- If the brand name is listed more than once and has numbers after the name, please try the first listing of the brand name you want. If it doesn't work for your device, try the second one, and so on.
- Click the "Next" button to confirm your selection(s) and proceed with upgrading your remote control.
